**There is a grill on the property if you want to bring your own steak and we'll be working out of the kitchen in the B&B house if you need kitchen facilities.**

***High Plains Homestead*** has restaurant and bar and Friday and Saturday nights are exclusively "Cookout" nights featuring rib-eye steaks(\$17.95), BBQ pork ribs (\$16.95) and Salmon (\$16.95). Each includes salad, baked beans, potatoes. Pie is available for dessert at an additional cost.

**Both require advance notification (2 weeks is best) so they can have supplies on hand! If you stay at High Plains make your reservations when you make your room arrangements. If you are staying at Our Heritage or elsewhere but would like to have dinner at either place please let me know and I will make your reservations for you. Please decide what you would like to have beforehand (High Plains). Both need to procure supplies in advance so don't wait until the last minute. I would presume the Sport Horse bunch will be at the "Cookout" Saturday night.**
